CIIR recruits qualified and experienced people to provide technical support for community projects which tackle the causes of poverty for the community's members. We are now seeking applications for the following posts:

NORTH YEMEN

MIDWIVES to work with the two well-established CIIR health projects in Abs and Raymah districts. The posts involve supporting the work of local midwives and providing Mother-and-Child health care.

HONDURAS

NURSE TUTOR to work with a non-government organisation providing courses in health education for rural communities and training for local health workers. An interest in anthropology would be useful, as would some knowledge of midwifery.

CIIR provides two-year contracts, salary adequate for a single person, language training, extensive briefing, various allowances etc.

CIIR

For further details please send a large SAE and your CV to CIIR Overseas Programme, 22 Coleman Fields, London N1 7AF, quoting ref. MC/2.
